 - d. The Employer will protect and safeguard the integrity, privacy and confidentiality of all PHI in accordance with all federal and state laws, regulations and guidelines governing and applicable to PHI. 19. Statements. All statements made by the Employer are representations and warranties, and the Corporation relies on such statements in entering into this Contract. The Employer agrees to furnish the Corporation with accurate information and understands that the Corporation will rely upon this information.
20. Waiver. 21. Waiver of Jury Trial. In any action based on this Contract (whether based in contract, tort, equity or otherwise), the parties to this Contract hereby knowingly waive any right to a jury trial to which they otherwise might have been entitled. 26. The Employer understands and agrees that the Corporation will rely on any beneficiary contact information supplied by the Employer to perform the Corporation's business functions as being accurate and able to be used by the Corporation or its subcontractors or vendors for services under this Contract or as otherwise requested by the Employer. Consequently, the Employer agrees to the following:
- a. Prior to supplying any contact information on the beneficiaries of its plan, the Employer is exclusively responsible for securing any written or other consents or authorizations that may be necessary for the Corporation or its subcontractors or vendors to perform services under this Contract or as otherwise requested by the Employer;

BlueCross BlueShield of South Carolina offers a portfolio of Medicare products with low premiums and rich benefits. Once you turn 65, the Corporation wants you to consider all of your Medicare options, and potentially save money. Call the Corporation at 855-542-4376 for more information.

IMPORTANT INFORMATION ABOUT YOUR HEALTH COVERAGE

The Benefits you receive will depend on whether the Provider of medical services is a Participating or Non-Participating Provider. You will receive the maximum Benefits that can be paid if you use Participating Providers and you get Preauthorization, when required, before getting medical care. The amount you have to pay may increase when you do not use Participating Providers and if you do not get Preauthorization.

BlueCross makes every effort to contract with Providers that practice at participating Hospitals. Members of the Blue Cross and Blue Shield Association (BCBSA) also attempt to contract with Providers that practice at participating Hospitals. For various reasons, some Providers may elect not to contract as Participating Providers. If you use a Non-Participating Provider, you may have no protection from balance billing from the Provider, except where prohibited by applicable law.

HOW TO FILE CLAIMS

Participating Providers have agreed to file claims for healthcare services they rendered to you. However, in the event a Provider does not file a claim for such services, it is your responsibility to file the claim. If you choose to use a Non-Participating Provider, you are responsible for filing your claim.

Once the claim has been processed, you will have quick access to an EOB through our website or by contacting customer service. The EOB explains who provided the care, the kind of service or supply received, the amount billed, the Allowable Charge, the Coinsurance rate and the amount paid. It also shows Benefit Year Deductible information and the reasons for denying or reducing a claim. Please see this Plan of Benefits for more information.

The only time you must pay a Participating Provider is when you have a Benefit Year Deductible, Coinsurance, Copayment or when you have services or supplies that are not Covered Expenses under your Plan of Benefits.

If you need a claim form, you may obtain one from us at the address below or print a copy from the website. You can also call us at the telephone numbers listed on the previous page, and we will send you a form. After filling out the claim form, send it to the address below:

Actively at Work: a permanent, full-time Employee who works at least the minimum number of hours per week and the minimum number of weeks per year (each as set forth on the Schedule of Benefits) and who is not absent from work during the initial enrollment period because of a leave of absence or temporary layoff. An absence during the initial enrollment period due to a Health Status-Related Factor will not keep an Employee from qualifying for Actively at Work status.

Admission: the period of time between a Member's admission as a patient into a Hospital or Skilled Nursing Facility and the time the Member leaves or is discharged.

Adverse Benefit Determination: any denial, reduction or termination of, or failure to provide or make (in whole or in part) payment for a claim for Benefits, including any such denial reduction, termination, or failure to provide or make payment that is based on a determination of a Member's eligibility to participate in a Group Health Plan, and including a denial, reduction or termination of, or failure to provide or make payment (in whole or in part) for a Benefit which results from the application of any utilization review as well as a failure to cover an item or services for which Benefits are otherwise provided because it is determined to be Investigational or Experimental or not Medically Necessary or appropriate. An Adverse Benefit Determination includes any cancellation or discontinuance of coverage that has retroactive effect (whether or not there is an adverse effect on any particular Benefit), except to the extent attributable to a failure to pay any required Premiums or Employee contributions.

Allowable Charge: the amount the Corporation or a licensee of the Blue Cross and Blue Shield Association (BCBSA) agrees to pay a Provider as payment in full for a service, procedure, supply or equipment. Additionally:

1. The Allowable Charge shall not exceed the Maximum Payment, unless otherwise required by applicable law;
2. The Allowable Charge for Emergency Services (including air ambulance services) provided by Non-Participating Providers, as well as non-Emergency Services provided by Non-Participating Providers at Participating Hospitals, Hospital outpatient departments, Critical Access Hospitals, or Ambulatory Surgical Centers, will pay in accordance with applicable federal law; and,
3. In addition to the Member's liability for Benefit Year Deductibles, Copayments and/or Coinsurance, the Member may be balance billed by the Non-Participating Provider for any difference between the Allowable Charge and the billed charges, except where prohibited by applicable law.

For covered items and services described in item 2, above, the Allowable Charge will be the Recognized Amount (less any applicable Benefit Year Deductible, Copayment and/or Coinsurance), unless otherwise prescribed under applicable law. If the Provider disputes such Allowable Charge and initiates a 30-day open negotiation and/or independent dispute resolution process in accordance with applicable federal law, the Corporation will administer such processes.

Notwithstanding anything herein to the contrary, the Member's responsibility for Benefit Year Deductibles, Copayments and/or Coinsurance for covered items and services provided by Non-Participating Providers described in item 2, above, will be calculated as if the item or service was furnished by a Participating Provider, and based on the Recognized Amount (which may differ from the Allowable Charge).

The Member is responsible for the remaining percentage of the Allowable Charge. Coinsurance is calculated after any applicable Benefit Year Deductible or Copayment is subtracted from the Allowable Charge based upon the network charge or the lesser charge of the Provider.

For Prescription Drug Benefits, Coinsurance means the amount payable by the Member calculated by multiplying the percentage listed on the Schedule of Benefits and the negotiated pharmacy price for that item at the time of the sale.

Companion Benefit Alternatives (CBA): a separate company that is responsible for managing Behavioral Healthcare Services (including Preauthorization) on behalf of BlueCross.

All requirements of the above-referenced definition must be met in order for a health care service or Behavioral Health Service to be deemed Medically Necessary. The failure of a health care service or Behavioral Health Service to meet any one of the above referenced requirements means, in the discretion of the Corporation or CBA, the health care service or Behavioral Health Service does not meet the definition of Medically Necessary.

For the purposes of determining Medical Necessity:

1. The Corporation and CBA have the discretion to utilize and rely upon any medical and behavioral health (which includes substance use and mental health) standards, policies, guidelines, criteria, protocols, manuals, publications, studies or literature (herein collectively referred to as "criteria"), whether developed by them or others, which, in their discretion, are determined to be generally accepted standards by the medical and/or behavioral health community;
2. "Generally accepted standards of medical or behavioral health practice" means United States standards that are based on credible scientific evidence published in peer-reviewed medical and/or behavioral health literature generally recognized by the relevant United States medical or behavioral health community, physician or behavioral health specialty society recommendations, and/or any other factors deemed relevant in the discretion of the Corporation or CBA; and,
3. The Corporation and CBA may, in their discretion, use the following materials, including but not limited to, Corporate Administrative Medical ("CAM") Policies, Technology Evaluation Center ("TEC") Assessments, Behavioral Health Care Utilization Management Criteria and/or any Care Guidelines or criteria by MCG Health, LLC, its affiliated companies, or other entities generally recognized as providing industry guidance and expertise, which reflect clinically appropriate health care services and Behavioral Health Services and generally accepted standards of medical and behavioral health practice. TEMPOROMANDIBULAR JOINT (TMJ) DISORDER

Any service for the treatment of dysfunctions or derangements of the temporomandibular joint, regardless of cause. This exclusion also applies to orthognathic surgery for the treatment of dysfunctions or derangements of the temporomandibular joint, regardless of cause, except as specified on the Schedule of Benefits.

TOBACCO CESSATION TREATMENT

Medical Supplies, services or Prescription Drugs for the treatment of tobacco cessation, except as specified on the Schedule of Benefits.

TRAVEL

Travel, whether or not recommended by a Provider, unless directly related to human organ or tissue transplants when Preauthorized by the Corporation, except as specified on the Schedule of Benefits.

VISION CARE

Any Medical Supply or service rendered to a Member for vision care, except as specified on the Schedule of Benefits.

WORKERS' COMPENSATION

This Plan of Benefits does not provide benefits for diagnosis, treatment or other service for any injury or illness that is sustained or alleged by a Member that arises out of, in connection with, or as the result of any work for wage or profit when coverage under any Workers' Compensation Act or similar law is required or is otherwise available for the Member.

If the Corporation pays Benefits for an injury or illness and the Corporation determines the Member also received Workers' Compensation benefits by means of a settlement, judgment or other payment for the same injury or illness, the Corporation shall have the right of recovery as outlined in Article IX of this Plan of Benefits.

ARTICLE V - COORDINATION OF BENEFITS

A. APPLICABILITY

Coordination of benefits is designed to avoid the duplication of payments for Benefits. Coordination of benefits under this Article V applies when a Member has health care coverage under one (1) or more Plans that contain a coordination of benefits provision (or are required by law to contain a coordination of benefits provision), excluding individual Plans. Special rules for the Coordination of Benefits with Medicare may also apply.

B. COORDINATION OF BENEFITS WITH AUTO INSURANCE

If the Member resides in a state where automobile no-fault, personal injury protection or medical payments coverage is mandatory or if the Member is involved in an accident in a state where such coverage is mandatory and the Member's automobile insurance carrier provides the state mandated coverage, the Member's automobile coverage is primary and this Plan of Benefits secondary.

C. ORDER OF DETERMINATION RULES FOR EMPLOYEE MEMBERS

When a Member's claim is submitted under both this Plan of Benefits and another Plan, this Plan of Benefits is a Secondary Plan and the availability of Benefits is determined after benefits are determined under the other Plan unless:

1. The other Plan has rules coordinating its benefits with those of this Plan of Benefits;
2. There is a statutory requirement relating to the determination of benefits that is not pre-empted by ERISA; or,
3. Both the other Plan's rules and this Plan of Benefits rules require that Benefits under this Plan of Benefits be determined before those of the other Plan.

D. ADDITIONAL ORDER OF DETERMINATION RULES

The coordination of benefits is determined using the first of the following rules that apply:

1. Dependents.

The Plan that covers an individual as an Employee or retiree is the Primary Plan.

2. Dependent Child - Parents not Separated or Divorced.

When this Plan of Benefits and another Plan cover the same Child as a Dependent then benefits are determined in the following order:

- a. The Plan of the parent whose birthday falls earlier in the year (month and date) is the Primary Plan.
- b. If both parents have the same birthday, the Plan that has covered a parent longer is the Primary Plan.
- c. If the other Plan does not have the rule described in (a) above but instead has a rule based upon the gender of the parent and if, as a result, the Plan and the Corporation do not agree on the order of benefits, the gender rule in the other Plan will apply.

The "birthday rule" does not use the years of the parents' birth in determining which has the earlier birthday.

3. Dependent Child - Separated or Divorced Parents.

If two (2) or more Plans cover a person as a Dependent Child of divorced, separated or unmarried parents, benefits for the Child are determined in the following order:

- a. First, the Plan of the parent with custody of the Child;
- b. Second, the Plan of the Spouse of the parent with the custody of the Child;
- c. Third, the Plan of the parent not having custody of the Child; or,
- d. Fourth, the Plan of the Spouse of the parent not having custody of the Child.

Notwithstanding the foregoing, if the specific terms of a court decree state that one of the parents is responsible for the healthcare expenses of the Child and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, the benefits of that Plan are determined first. The Plan of the other parent shall be the Secondary Plan. This paragraph does not apply with respect to any claim determination period or Plan year during which any Benefits are actually paid or provided before the Plan has actual knowledge of the existence of an applicable court decree. Once the Dependent Child reaches the age of eighteen (18) and/or the terms of the court decree are no longer applicable, the Plan which has covered the Dependent for a longer period of time will be primary.

If the specific terms of a court decree state that the parents shall share joint custody without stating that one of the parents is responsible for the healthcare expenses of the Child, the Plans covering the Child shall follow the order of determination rules outlined in Article V(D)(2).

4. Active and Inactive Employees.

The benefits of the Plan that covers a person as an Employee who is neither laid off nor retired, or as that Employee's Dependent, are determined before those of a Plan that covers that person as a laid off or retired Employee or as that Employee's Dependent. If the other Plan does not have this rule and if, as a result, the Plans do not agree on the order of Covered Expenses, this rule does not apply.

5. Medicare.

This Plan of Benefits is a Primary Plan except where federal law mandates that this Plan of Benefits is the Secondary Plan. Any claims where Medicare is primary must be filed by the Member after Medicare payment is made.

6. Longer and Shorter Length of Coverage.

If none of the above rules determines the order of benefits, the Plan that has covered the Member longer is the Primary Plan.

7. Continuation Coverage.

In instances where a Member is covered by this Group Health Plan and other employer-sponsored coverage and only one of them is continuation coverage (*e.g.*, COBRA or other continuation coverage), such continuation coverage will be the Secondary Plan.

E. EFFECT ON BENEFITS OF THIS PLAN OF BENEFITS

1. This Plan of Benefits as Primary Plan

When this Plan of Benefits is the Primary Plan, the Benefits shall be determined without consideration of the benefits of any other Plan.

2. This Plan of Benefits as Secondary Plan

When this Plan of Benefits is a Secondary Plan, the Benefits will be reduced when the sum of the following exceeds the Covered Expenses in a Benefit Year:

- a. The Covered Expenses in the absence of this coordination of benefits provision; plus
- b. The expenses that would be payable under the other Plan, in the absence of provisions with a purpose like that of this coordination of benefits provision, whether or not a claim is made.

When the sum of these two (2) amounts exceeds the maximum amount payable for Covered Expenses in a Benefit Year, the Covered Expenses will be reduced so that they and the benefits payable under the Primary Plan do not total more than the Covered Expenses. When the Covered Expenses of this Plan of Benefits are reduced in this manner, each Benefit is reduced in proportion and then charged against any applicable limit of this Plan of Benefits.

3. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered will be considered for purposes of determining the appropriate level of coverage available.
4. The difference between the cost of a private Hospital room and the cost of a semi-private Hospital room is not a Covered Expense unless the Member's Admission in a private Hospital room is Medically Necessary. When benefits are reduced under a Primary Plan because a Member does not comply with the Primary Plan's requirements, the amount of such reduction in benefits will not be a Covered Expense.

F. RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

The Corporation is entitled to such information as it deems reasonably necessary to apply these coordination of benefit provisions, and the Member and the Employer must provide any such information as reasonably requested.

G. PAYMENT

A payment made under another Plan may include an amount that should have been paid under this Plan of Benefits. In such a case, the Corporation may pay that amount to the organization that made such payment. That amount will then be treated as though it has been paid under this Plan of Benefits. The term "payment" includes providing Benefits in the form of services, in which case "payment" means the reasonable cash value of the Benefits provided in the form of services.

H. RIGHT OF RECOVERY

If the amount of the payments made by the Corporation is more than the Corporation should have paid, the Corporation may recover the excess or overpayment from the Member on whose behalf it has made payments, from a Provider, any group insurer, Plan or any other person or organization contractually obligated to such Member with respect to such overpayments.

ARTICLE VI – TERMINATION OF THIS PLAN OF BENEFITS

A. GENERALLY

TERMINATION OF EMPLOYEE'S COVERAGE AND ALL OF SUCH EMPLOYEE'S DEPENDENTS' COVERAGE WILL OCCUR ON THE EARLIEST OF THE FOLLOWING CONDITIONS:

1. The date this Plan of Benefits is terminated pursuant to Article VI(B)-(I);
2. The date an Employee retires unless this Plan of Benefits covers such individual as a retiree;
3. The date an Employee ceases to be eligible for coverage as set forth in Article II;
4. The date an Employee is no longer Actively at Work, except that an Employee may be considered Actively at Work during a disability leave of absence for a period not to exceed ninety (90) days from the date the Employee is no longer Actively at Work or, for a qualified Employee (as qualified under the Family and Medical Leave Act of 1993), during any leave taken pursuant to the Family and Medical Leave Act of 1993;
5. In addition to terminating when an Employee's coverage terminates, a Dependent Spouse's coverage terminates on the date of entry of an order or decree ending the marriage between the Dependent Spouse and the Employee regardless of whether such order or decree is subject to appeal;

6. In addition to terminating when an Employee's coverage terminates, a Child's coverage terminates when that individual no longer meets the definition of a Child under this Plan of Benefits;
7. In addition to terminating when an Employee's coverage terminates, an Incapacitated Dependent's coverage terminates when that individual no longer meets the definition of an Incapacitated Dependent; or,
8. Upon the death of the Employee.

B. TERMINATION FOR FAILURE TO PAY PREMIUMS

1. If the Premium remains unpaid after the Grace Period, this Plan of Benefits shall automatically terminate, without prior notice to the Employer, or to any Member, immediately after the last day of the Grace Period.
2. If a subgroup fails to pay the Premium after the Grace Period, this Plan of Benefits for that subgroup shall automatically terminate for nonpayment of Premium, without any prior notice to the Employer or Members, immediately after the last day of the Grace Period. Additionally, the Corporation retains the right to terminate this Plan of Benefits for the entire group in the event a subgroup fails to pay their portion of the Premium.
3. During the Grace Period, the Corporation will pay Covered Expenses for Benefits (including Prescription Drugs) obtained by Members during the Grace Period.
4. In the event of termination for failure to pay Premiums, Premiums received by the Corporation after the Grace Period will not automatically reinstate this Plan of Benefits absent written agreement by the Corporation. The Corporation will refund the amount of any late Premium paid if this Plan of Benefits is not reinstated, except that portion relating to coverage provided prior to or during the Grace Period.

C. TERMINATION WHILE ON LEAVE

During an Employee's leave of absence that is taken pursuant to the Family and Medical Leave Act, the Employer must maintain the same health Benefits as provided to Employees not on leave. The Employee must continue to pay the Employee portion of the Premium, and the Employer will continue to pay the same Premium the Employer would have paid had the Employee been Actively at Work. If Premiums are not paid by an Employee within thirty-one (31) days of the Premium due date, coverage ends as of the due date of that Premium contribution.

D. TERMINATION FOR LACK OF MEMBERSHIP

If there is no longer any Member who lives, resides or works in South Carolina or in an area for which the Corporation is authorized to do business, the Corporation may terminate this Plan of Benefits and coverage will terminate on the date given by the Corporation in written notice to the Employer.

E. UNIFORM TERMINATION OF COVERAGE

1. The Corporation may terminate coverage under this Plan of Benefits if:
 - a. The Corporation ceases to offer coverage of the type of group health insurance coverage provided by this Plan of Benefits and provides notice to the Employer and Members at least ninety (90) days prior to the date of the discontinuation of such coverage;

- b. The Corporation offers to each Employer provided coverage of this type in such market the option to purchase any other group health insurance currently being offered by the Corporation to a group health plan in such market; and,
 - c. The Corporation acts uniformly without regard to the claims experience of the Employer or any Health Status-Related Factor relating to any Members, Employees or Dependents who may become eligible for such coverage.
2. If the Corporation elects to discontinue offering all group health insurance coverage in South Carolina, coverage under this Plan of Benefits may be discontinued by the Corporation only:
- a. In accordance with applicable state law;
 - b. If the Corporation provides notice to the Department of Insurance (DOI) and to the affected Employer and Members of such discontinuation at least one hundred eighty (180) days prior to the date of the discontinuation of such coverage;
 - c. If all group health insurance coverage issued or delivered for issuance in South Carolina is discontinued and coverage under such health benefit coverage in such market is not renewed; and,
 - d. If the Corporation will not issue any group health insurance coverage in the market during the five (5) year period beginning on the date of the discontinuation of the last health insurance coverage not so renewed.

F. NOTICE OF TERMINATION TO MEMBERS

Other than as expressly required by law, if this Plan of Benefits is terminated for any reason, the Employer is solely responsible for notifying all Members of such termination and notifying Members that coverage of Members under this Plan of Benefits will not continue beyond the termination date. The Employer agrees to indemnify and hold the Corporation harmless for all damages, claims, causes of action, penalties, fines, charges, costs and expenses (including a reasonable attorney's fee) arising out of or relating to the Employer's failure to notify Members of termination of this Plan of Benefits.

G. REINSTATEMENT

The Corporation in its discretion (and upon such terms and conditions as the Corporation may determine), may reinstate coverage under this Plan of Benefits that has been terminated for any reason. If a Member's coverage (including coverage for the Member's Dependents) for Covered Expenses under this Plan of Benefits terminates while the Member is on leave pursuant to the Family and Medical Leave Act because the Member fails to pay such Member's portion of the Premium within the Grace Period, the Member's coverage will be reinstated without new Probationary Periods if the Member returns to work immediately after the leave period, re-enrolls and within thirty-one (31) days following such return pays all such Employee's portion of the past due amount and then current Premium.

H. EXTENSION OF BENEFITS FOLLOWING TERMINATION

If this Plan of Benefits is terminated under this Article VI(H), or a Member participating in this Plan of Benefits is terminated, all rights to receive Covered Expenses for Benefits provided on or after the date of termination will automatically cease, except that a Member admitted to a Hospital or Skilled Nursing Facility or Totally Disabled on the date of such termination will be entitled to Covered Expenses for each day of that Admission or Total Disability, but will be limited to Benefits (including Prescription Drugs) directly related to the illness or injury causing the confinement or the Total Disability and will continue until the earlier of:

1. The date of recovery of the Member from the Total Disability;
2. A period of three hundred sixty-five (365) days from the date of termination of this coverage;
3. The date on which the Covered Expenses to which the Member is entitled are exhausted; or,
4. The date the Member has full coverage for the disabling condition under another group health plan with benefits that are similar to the Benefits and such group health plan makes a reasonable provision for continuity of care for the disabling condition.

I. EMPLOYER IS AGENT OF MEMBERS

By accepting Benefits, a Member agrees that the Employer is the Member's agent for all purposes of any notice under this Plan of Benefits. The Member further agrees that notifications received from, or given to, the Employer by the Corporation are notification to the Employees except for any notice required by state or federal law to be given to the Members by the Corporation.

ARTICLE VII – CONVERSION AND CONTINUATION OF COVERAGE

A. CONVERSION FOR DIVORCED SPOUSES

Upon the entry of a valid order or decree of divorce between an Employee and such Employee's Dependent Spouse, the divorced Spouse shall be entitled (upon request) to a conversion policy, without evidence of insurability, upon submission of an application of insurance made to the Corporation within sixty (60) days following the divorce decree and upon payment of the appropriate Premium. Any Probationary Periods set forth in the conversion policy that had previously been met under this Plan of Benefits shall be considered as being met to the extent that such Probationary Periods were met under this Plan of Benefits.

B. CONTINUATION

1. State Law

In addition to any extension of Benefits or conversion rights a Member may have, each Member has the right, upon request, to continue such Member's coverage under this Plan of Benefits for that portion of the month remaining at termination plus six (6) additional months. The Member must make payment of the appropriate Premium (including any Employer portion) to the Employer in advance for such coverage. To be eligible for such coverage, the Member must have been continuously covered under the Employer's Group Health Plan for at least six (6) months and have been terminated for a reason other than non-payment of Premium. If a Member is entitled to coverage under COBRA for a greater period of time, to Medicare benefits or for other group health coverage, such Member is not entitled to continuation coverage under this section. This Plan of Benefits or a successor Plan must remain in force, and the Member must pay the applicable Premium in advance for the Member to receive this continuation coverage.

2. COBRA

a. Plan Administrator and Sponsor.

The Employer is both the Plan Administrator and Plan Sponsor for this Plan of Benefits. The Employer agrees to offer continuation of coverage pursuant to the provisions of COBRA, if required, to eligible Members while this Plan of Benefits is in force. COBRA requires the Employer to allow eligible individuals to continue their health coverage for eighteen (18), twenty-nine (29) or thirty-six (36) months, depending on the Qualifying Event.

b. Disabled Members.

To be eligible for up to twenty-nine (29) months of continuation of coverage due to disability, an Employee or Dependent who:

- i. is determined to be disabled under Title II or XVI of the Social Security Act;
- ii. with a disability onset date either before the COBRA event or within the first sixty (60) days of the COBRA continuation coverage must provide a copy of the notice of the determination of disability to the Employer within:
 - aa. sixty (60) days of the determination of disability; and,
 - bb. before the end of the first eighteen (18) months of COBRA coverage.

Such Employee or Dependent must also notify the Employer within thirty (30) days of any determination that the Employee or Dependent is no longer disabled.

c. Notice of Qualifying Event by the Member.

Each Member is responsible for notifying the Employer within sixty (60) days of such Member's Qualifying Event due to divorce, legal separation or when a Dependent ceases dependency. If the Member does not give such notice, the Member is not entitled to continuation coverage.

d. Notice by the Employer to the Member.

The Employer must notify the COBRA Administrator no later than thirty (30) days after the date the Member loses coverage due to a COBRA event. The COBRA Administrator must send a COBRA Election Notice to each Member no later than fourteen (14) days after receipt of the notice from the Employer. Notice to the Dependent Spouse is deemed notice to any Dependent of the Spouse.

e. Election of Coverage.

Continuation coverage is not automatic. The Member must elect continuation coverage within sixty (60) days of the later of:

- i. The date the Member's coverage under this Plan of Benefits ceases because of the Qualifying Event;
- ii. The date the Member is sent notice of the right to elect continuation coverage by the Employer; or,
- iii. The date the Member becomes an "eligible individual" (as that term is used in the Trade Act of 2002) provided that such election is made not later than six (6) months after the Qualifying Event that gives rise to eligibility under the Trade Act of 2002 (TAA).

f. Premium Required.

The Member will be required to pay a Premium for the continuation coverage and shall have the option to make payment in monthly installments. The Member has forty-five (45) days from the date of election to pay the first Premium, which includes the period when coverage commenced, regardless of the date that the first Premium is due. Subsequent Premiums will be due monthly by the Premium due date. While a Grace Period is allowed, if Premiums are not paid by the end of the Grace Period, coverage will be canceled with no option for reinstatement.

The TAA created a new tax credit for certain individuals who become eligible for trade adjustment assistance and for certain retired Employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of a percentage of the Premiums paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Coverage Tax Credit Customer Contact Center toll free at 866-628-4282. TTD/TTY callers may call toll free at 866-626-4282. More information about the TAA is also available at www.doleta.gov/tradeact/.

g. Length of COBRA Coverage.

The maximum period for continuation coverage for a Qualifying Event involving termination of employment or a reduction in hours is generally eighteen (18) months. An Employee or Dependent who is determined to be disabled under Title II or XVI of the Social Security Act before the COBRA event or within the first sixty (60) days of COBRA continuation coverage is entitled to twenty-nine (29) months of continuation coverage, but only if such Employee or Dependent has provided notice of the determination of disability within sixty (60) days after determination is issued and before the end of eighteen (18) months of coverage. If a second Qualifying Event occurs within this period of continuation coverage, the coverage for any affected Dependent who was a Member under this Plan of Benefits both at the time of the first and the second Qualifying Events may be extended up to thirty-six (36) months from the first Qualifying Event. For all other Qualifying Events, the maximum period of coverage is thirty-six (36) months. Below is a list of circumstances and the period of COBRA coverage for each circumstance.

- i. Eighteen (18) months for Employees whose working hours are reduced, from full-time to part-time, for instance, and any Dependents who also lose coverage for this reason.
- ii. Eighteen (18) months for Employees who voluntarily quit work and any Dependents who also lose coverage for this reason.
- iii. Eighteen (18) months for Employees who are part of a layoff and any Dependents who also lose coverage for this reason.
- iv. Eighteen (18) months for Employees who are fired, unless the firing is due to gross misconduct, and any Dependents who also lose coverage for this reason.
- v. Twenty-nine (29) months for Employees and all covered Dependents who are determined to be disabled under the Social Security Act during the first sixty (60) days after termination of employment or reduction of hours of employment. Notice of the Social Security Disability determination must be given to the COBRA Administrator within sixty (60) days of the determination of disability and before the end of the first eighteen (18) months of continuation of coverage.
- vi. Thirty-six (36) months for Employees' widows or widowers and their Dependent Children.
- vii. Thirty-six (36) months for legally separated or divorced husbands or wives and their Dependent Children.
- viii. Thirty-six (36) months for Dependent Children who lose coverage because they no longer meet the Plan's definition of a Dependent Child.
- ix. Thirty-six (36) months for Dependents who are not eligible for Medicare when the Employee is eligible for Medicare and no longer has coverage with the Employer. This does not apply to any Employees or their Dependents if the Employee voluntarily quit work. See Article VII(B)(2)(g)(ii) of this section for coverage for Employees who voluntarily quit.
- x. For Plans providing coverage for retired Employees and their Dependents, a special rule applies for such persons who would lose coverage due to the Employer filing for Title 11 Bankruptcy (loss of coverage includes a substantial reduction of coverage within a year before or after the bankruptcy filing). Upon occurrence of such an event, retired Employees and their eligible Dependents may continue their coverage under the Plan until the date of death of the retiree. If a retiree dies while on this special continued coverage, surviving Dependents may elect to continue coverage for up to thirty-six (36) additional months.

3. USERRA

- a. In any case in which an Employee or any of such Employee's Dependents has coverage under this Plan of Benefits and such Employee is not Actively at Work by reason of active duty service in the uniformed services, the Employee may elect to continue coverage under this Plan of Benefits as provided in this Article VII(B)(3). The maximum period of coverage of the Employee and such Employee's Dependents under such an election shall be the lesser of:
 - i. The twenty-four (24) month period beginning on the date on which the Employee's absence from being Actively at Work by reason of active duty service in the uniformed services begins; or,
 - ii. The day after the date on which the Employee fails to apply for or return to a position of employment, as determined under USERRA.

The continuation of coverage period under USERRA will be counted toward any continuation of coverage period available under COBRA.

- b. An Employee who elects to continue coverage under this section of this Plan of Benefits must pay one hundred and two percent (102%) such Employee's normal Premium. Except that, in the case of an Employee who performs service in the uniformed services for less than thirty-one (31) days, such Employee will pay the normal contribution for the thirty-one (31) days.
- c. An Employee who is qualified for re-employment under the provisions of USERRA will be eligible for reinstatement of coverage under this Plan of Benefits upon re-employment. Except as otherwise provided in Article VII(B)(3)(d), upon re-employment and reinstatement of coverage no new exclusion or Probationary Period will be imposed in connection with the reinstatement of such coverage if an exclusion would normally have been imposed. This Article VII(B)(3)(c) applies to the Employee who is re-employed and to a Dependent who is eligible for coverage under this Plan of Benefits by reason of the reinstatement of the coverage of such Employee.
- d. Article VII(B)(3)(c) shall not apply to the coverage of any illness or injury determined by the Secretary of Veteran's Affairs to have been incurred in, or aggravated during, performance of service in the uniformed services.

C. QUALIFIED MEDICAL CHILD SUPPORT ORDER

This Plan of Benefits shall pay Covered Expenses in accordance with the applicable requirements of any Qualified Medical Child Support Order.

1. Procedural Requirements.

- a. Timely Notifications and Determinations.

In the case of any Medical Child Support Order received by the Corporation:

- i. The Employer shall promptly notify the Employee and each Alternate Recipient of the receipt of the Medical Child Support Order and the Employer's procedures for determining whether Medical Child Support Orders are Qualified Medical Child Support Orders; and,
- ii. Within a reasonable period after receipt of such Qualified Medical Child Support Order, the Employer shall determine whether such order is a Qualified Medical Child Support Order and notify the Employee and each Alternate Recipient of such determination.

b. Establishment of Procedures for Determining Qualified Status of Orders.

The Employer shall establish reasonable procedures to determine whether Medical Child Support Orders are Qualified Medical Child Support Orders and to administer the provision of Covered Expenses under such qualified orders. The Employer's procedures:

- i. Shall be in writing;
- ii. Shall provide for the notification of each person specified in a Medical Child Support Order as eligible to receive Benefits under this Plan of Benefits (at the address included in the Medical Child Support Order) of the Employer's procedures promptly upon receipt by the Plan Administrator of the Medical Child Support Order; and,
- iii. Shall permit an Alternate Recipient to designate a representative for receipt of copies of notices that are sent to the Alternate Recipient with respect to a Medical Child Support Order.

c. Actions Taken by Fiduciaries.

If a fiduciary for this Plan of Benefits acts in accordance with these procedural requirements in treating a Medical Child Support Order as being (or not being) a Qualified Medical Child Support Order, then this Plan of Benefits obligation to the Member and each Alternate Recipient shall be discharged to the extent of any payment made pursuant to such act of the fiduciary.

2. Treatment of Alternate Recipients.

a. Under ERISA.

A person who is an Alternate Recipient under any Medical Child Support Order shall be considered a beneficiary under this Plan of Benefits for purposes of any provisions of ERISA, as amended, and shall be treated as a participant under the reporting and disclosure requirements of ERISA.

b. Direct Provision of Benefits Provided to Alternate Recipients.

Any payment for Covered Expenses made by the Corporation pursuant to a Medical Child Support Order in reimbursement for expenses paid by an Alternate Recipient or an Alternate Recipient's custodial parent or legal guardian shall be made to the Alternate Recipient or the Alternate Recipient's custodial parent or legal guardian.

c. Plan Enrollment and Payroll Deductions.

If an Employee remains covered under this Plan of Benefits but fails to enroll an Alternate Recipient under this Plan of Benefits after receiving notice of the Qualified Medical Child Support Order from the Employer, the Employer shall enroll the Alternate Recipient and deduct the additional Premium from the Employee's paycheck.

d. Termination of Coverage.

Except for any coverage continuation rights otherwise available under this Plan of Benefits, the coverage for the Alternate Recipient shall end on the earliest of:

- i. The date the Employee's coverage ends;
- ii. The date the Qualified Medical Child Support Order is no longer in effect;

- iii. The date the Employee obtains other comparable health coverage through another insurer or Plan to cover the Alternate Recipient; or,
- iv. The date the Employer eliminates family health coverage for all of its Employees.

ARTICLE VIII – SUBROGATION AND REIMBURSEMENT

A. SUBROGATION

The Member agrees, as a condition of receiving Benefits, to transfer to the Corporation all rights to recover for the amount paid for such Benefits when the need for Benefits results from an injury occurring through the act or omission of a third party (including another person, firm, corporation, organization or business entity). The Corporation shall be subrogated, at its expense, to the rights of recovery of such Member against any third party who is liable, responsible or otherwise makes a payment for the injury.

B. REIMBURSEMENT

The Member agrees, as a condition of receiving Benefits, to reimburse the Corporation for the amount paid for Benefits which are related to an injury caused by an act or omission of a liable third party when the Member receives a settlement, judgment or other payment relating to the injury from another person, firm, corporation, organization or business entity. However, under no circumstances will the amount of reimbursement exceed the amount of the Member's recovery.

For purposes of this Article, a liable third party and/or liable insurance coverage include parties and coverages that are responsible or otherwise make a payment for the Member's injury even though liability or other culpability may be denied.

C. GENERAL PROVISIONS

The Corporation's subrogation/reimbursement rights apply to any judgment and/or settlement proceeds received by the Member from or on behalf of the liable third party.

The Corporation's subrogation/reimbursement interest extends to all Benefits paid or payable relating to the injury even if claims for those Benefits were not submitted to the Corporation for payment at the time the Member received the settlement, judgment or payment.

The Corporation's right of recovery may be from the liable third party, any liability or other insurance covering the liable third party, malpractice insurance, the Member's own uninsured motorist insurance and/or underinsured motorist insurance.

As a condition of receiving Benefits, the Member must:

1. Immediately notify the Corporation of an injury for which another party may be liable, legally responsible or otherwise makes a payment in connection with the injuries;
2. Execute and deliver an accident questionnaire within one hundred eighty (180) days of the accident questionnaire being mailed to the Member;
3. Deliver to the Corporation a copy of the police report, incident or accident report or any other reports issued as a result of the injuries within ninety (90) days of being requested to do so;

4. Authorize the Corporation to sue, compromise and settle in the Member's name to the extent of the amount of medical or other Benefits paid for the injuries under this Plan of Benefits and the expenses incurred by the Corporation in collecting this amount and assign to the Corporation the Member's rights to recovery when this provision applies;
5. Include the amount paid for Benefits as a part of the damages sought against a liable third party and/or liability insurance company;
6. Immediately reimburse the Corporation, out of any recovery made from a liable third party, the amount of medical Benefits paid for the injuries by the Corporation up to the amount of the recovery;
7. Immediately notify the Corporation in writing of any proposed settlement and obtain the Corporation's written consent before signing any release or agreeing to any settlement; and,
8. Cooperate fully with the Corporation in its exercise of its rights under this provision, do nothing that would interfere with or diminish those rights and furnish any information required by the Corporation.

ARTICLE IX - WORKERS' COMPENSATION PROVISION

This Plan of Benefits does not provide benefits for diagnosis, treatment or other service for any injury or illness that is sustained by a Member that arises out of, in connection with, or as the result of, any work for wage or profit when coverage under any Workers' Compensation Act or similar law is required or is otherwise available for the Member.

Although treatment for work-related or alleged work-related injuries or illness is excluded under this Plan of Benefits, the Corporation may, in its discretion, agree to extend coverage to a Member for the injury or illness. In this instance, the Member agrees, as a condition of receiving Benefits, to reimburse the Corporation in full from any workers' compensation recovery as described herein.

As a condition of receiving Benefits, the Member must:

1. Immediately notify the Corporation of an injury or illness for which the Member's Employer and/or Employers' Workers' Compensation carrier may be liable, legally responsible or otherwise makes a payment in connection with the injuries or illness;
2. Execute and deliver an accident questionnaire within one hundred eighty (180) days of the accident questionnaire being mailed to the Member;
3. Deliver to the Corporation a copy of the police report, incident or accident report or any other reports issued as a result of the injury or illness within ninety (90) days of being requested to do so;
4. Assert a claim or lawsuit against the Employer and/or Employer's Workers' Compensation carrier or any other insurance coverage to which the Member may be entitled;
5. Include the amount paid for Benefits as a part of the damages sought against the Member's Employer and/or Employer's Workers' Compensation carrier or Second Injury Fund;
6. Immediately notify the Corporation in writing of any proposed settlement and obtain the Corporation's written consent before signing any release or agreeing to any settlement; and,

7. Cooperate fully with the Corporation in its exercise of its rights under this provision, do nothing that would interfere with or diminish those rights and furnish any information required by the Corporation.

The Corporation has discretion to determine whether claims for Benefits submitted to the Corporation are related to the injuries or illness to the extent this provision applies. If the Corporation pays Benefits for an injury or illness and the Corporation determines the Member also received a recovery from the Employer and/or Employer's Workers' Compensation carrier by means of a settlement, judgment or other payment for the same injury or illness, the Member shall reimburse the Corporation from the recovery for all Benefits paid by the Corporation relating to the injury or illness. However, under no circumstances shall the Member's reimbursement to the Corporation exceed the amount of such recovery.

If the Member receives a recovery from the Employer and/or Employer's Workers' Compensation carrier, the Corporation's right of reimbursement from the recovery will be applied even if: liability is denied, disputed or is made by means of a compromised, doubtful and disputed, clincher or other settlement; no final determination is made that the injury or illness was sustained in the course of or resulted from the Member's employment; the amount of workers' compensation benefits due to medical or healthcare is not agreed upon or defined by the Member, Employer or the Workers' Compensation carrier; or the medical or healthcare benefits are specifically excluded from the settlement or compromise.

ARTICLE X – ERISA RIGHTS

Each Member in this Plan of Benefits is entitled to certain rights and protections under ERISA. ERISA provides that all Members shall be entitled to:

A. RECEIVE INFORMATION ABOUT THE PLAN OF BENEFITS

1. Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing this Plan of Benefits, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
2. Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of this Plan of Benefits, including insurance contracts and collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The Plan Administrator may assess a reasonable charge for the copies.
3. Receive, upon request, a summary of this Plan of Benefits' annual financial report. The Plan Administrator is required by law to furnish each Member with a copy of this summary annual report.

B. CONTINUATION COVERAGE

Members are entitled to continue healthcare coverage for themselves and their Dependents if there is a loss of coverage under this Plan of Benefits as a result of a Qualifying Event. The Member or Dependents may have to pay for such continuation coverage. Employee Members should review the documents governing COBRA continuation coverage rights.

C. PRUDENT ACTIONS BY PLAN FIDUCIARIES

In addition to creating rights for Members, ERISA imposes duties upon the people who are responsible for the operation of an employee welfare benefit plan. The people who administer an employee welfare benefit plan are called "fiduciaries," and have a duty to do so prudently and in the interest of the Members. The Employer is a fiduciary of this Plan of Benefits only as to those fiduciary duties it has not assigned and delegated to the Corporation. The Corporation is a fiduciary of this Plan of Benefits only as to those fiduciary duties it was assigned and delegated by Employer.

D. ENFORCEMENT OF EMPLOYEE RIGHTS

1. If a Member's claim for a Benefit is denied or ignored, in whole or in part, such Member has a right to know why this was done, to obtain copies of documents relating to the decision without charge and to appeal any denial, all within certain time schedules.
2. Under ERISA, there are steps a Member can take to enforce the rights described above. For instance, if a Member requests a copy of Group Health Plan documents or the latest annual report from the Group Health Plan and does not receive them within thirty (30) days, such Member may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay such Member up to \$110 a day until such Member receives the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If a Member has a claim for Benefits that is denied or ignored, in whole or in part, such Member may file suit in a state or federal court. In addition, if a Member disagrees with the Group Health Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a Medical Child Support Order, such Member may file suit in federal court. If it should happen that the Group Health Plan fiduciaries misuse the Group Health Plan's money, or if a Member is discriminated against for asserting such Member's rights, such Member may seek assistance from the U.S. Department of Labor, or such Member may file suit in a federal court. The court will decide who should pay court costs and legal fees. If a Member is successful, the court may order the person the Member has sued to pay these costs and fees. If the Member loses, the court may order such Member to pay these costs and fees, for example, if it finds such Member's claim is frivolous.
3. No one, including the Employer, the Members' union or any other person, may fire an Employee or otherwise discriminate against an Employee in any way to prevent an Employee from obtaining a Benefit or exercising the Employee's rights under ERISA.

E. ASSISTANCE WITH QUESTIONS

If a Member has any questions about this Plan of Benefits, the Member should contact the Plan Administrator. If a Member has any questions about this statement or about a Member's rights under ERISA, or if a Member needs assistance in obtaining documents from the Plan Administrator, the Member should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in the telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. A Member may also obtain certain publications about the Member's rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

ARTICLE XI - CLAIMS FILING AND APPEAL PROCEDURES

A. CLAIMS FILING PROCEDURES

1. When a Participating Provider renders services, generally, the Participating Provider should either file the claim on the Member's behalf or provide an electronic means for the Member to file a claim while the Member is in the Participating Provider's office. However, the Member is responsible for ensuring that the claim is filed.
2. Written notice of receipt of services on which a claim is based must be furnished to the Corporation, at its address on the Identification Card, within twenty (20) days of the beginning of services or as soon thereafter as is reasonably possible. Failure to give notice within the time does not invalidate nor reduce any claim if the Member can show that it was not reasonably possible to give the notice within the required time frame and if notice was given as soon as reasonably possible. Upon receipt of the notice, the Corporation will furnish or cause a claim form to be furnished to the Member. If the claim form is not furnished within fifteen (15) days after the Corporation receives the notice, the Member will be deemed to have complied with the requirements of this Plan of Benefits as to proof of loss. The Member must submit written proof covering the character and extent of the services within the time fixed for filing proof of loss.
3. For Benefits not provided by a Participating Provider, the Member is responsible for filing claims with the Corporation. When filing the claims, the Member will need the following:
 - a. A claim form for each Member. Members can get claim forms from a Member services representative at the telephone number indicated on the Identification Card or via the Corporation's website, www.SouthCarolinaBlues.com.
 - b. Itemized bills from the Provider(s). These bills should contain all the following:
 - i. Provider's name and address;
 - ii. Member's name and date of birth;
 - iii. Member's Identification Card number;
 - iv. Description and cost of each service;
 - v. Date that each service took place; and,
 - vi. Description of the illness or injury and diagnosis.
 - c. Members must complete each claim form and attach the itemized bill(s) to it. If a Member has other insurance that already paid on the claim(s), the Member should also attach a copy of the other Plan's explanation of benefits notice.
 - d. Members should make copies of all claim forms and itemized bills for the Member's records since they will not be returned. Claims should be mailed to the Corporation's address listed on the claim form.

4. The Corporation must receive the claim within ninety (90) days after the beginning of services. Failure to file the claim within the ninety (90) day period, however, will not prevent payment of Covered Expenses if the Member shows that it was not reasonably possible to file the claim timely, provided the claim is filed as soon as is reasonably possible. Except in the absence of legal capacity, claims must be filed no later than fifteen (15) months following the date services were received.
5. Receipt of a claim by the Corporation will be deemed written proof of loss and will serve as written authorization from the Member to the Corporation to obtain any medical or financial records and documents useful to the Corporation. The Corporation, however, is not required to obtain any additional records or documents to support payment of a claim and is responsible to pay claims only on the basis of the information supplied at the time the claim was processed. Any party who submits medical or financial reports and documents to the Corporation in support of a Member's claim will be deemed to be acting as the agent of the Member. If the Member desires to appoint an Authorized Representative in connection with such Member's claims, the Member should contact the Corporation for an Authorized Representative form.
6. There are four (4) types of claims: Pre-Service Claims, Urgent Care Claims, Post-Service Claims and Concurrent Care Claims. The Corporation will make a determination for each type of claim within the following time periods:
 - a. Pre-Service Claim.
 - i. A determination will be provided in writing or in electronic form within a reasonable period of time, appropriate to the medical circumstances, but no later than fifteen (15) days from receipt of the claim.
 - ii. If a Pre-Service Claim is improperly filed or otherwise does not follow applicable procedures, the Member will be sent notification within five (5) days of receipt of the claim.
 - iii. An extension of fifteen (15) days is permitted if the Corporation determines that, for reasons beyond the control of the Corporation, an extension is necessary. If an extension is necessary, the Corporation will notify the Member within the initial fifteen (15) day time period that an extension is necessary, the circumstances requiring the extension and the date the Corporation expects to render a determination. If the extension is necessary to request additional information, the extension notice will describe the required information. The Member will have at least forty-five (45) days to provide the required information. If the Corporation does not receive the required information within the forty-five (45) day time period, the claim will be denied. The Corporation will make its determination within fifteen (15) days of receipt of the requested information or, if earlier, the deadline to submit the information. If the Corporation receives the requested information after the forty-five (45) days but within two hundred twenty-five (225) days, the claim will be reviewed as a first level appeal. Reference Article XI(B) for details regarding the appeals process.
 - b. Urgent Care Claim.
 - i. A determination will be sent to the Member in writing or in electronic form as soon as possible, taking into account the medical exigencies, but no later than seventy-two (72) hours from receipt of the claim.
 - ii. If the Member's Urgent Care Claim is determined to be incomplete, the Member will be sent a notice to this effect within twenty-four (24) hours of receipt of the claim. The Member will then have forty-eight (48) hours to provide the additional information. Failure to provide the additional information within forty-eight (48) hours may result in the denial of the claim.

- iii. If the Member requests an extension of urgent care Benefits beyond an initially determined period and makes the request at least twenty-four (24) hours prior to the expiration of the original determination period, the Member will be notified within twenty-four (24) hours of receipt of the request for an extension.

c. Post-Service Claim.

- i. A determination will be sent within a reasonable time period but no later than thirty (30) days from receipt of the claim.
- ii. An extension of fifteen (15) days may be necessary if the Corporation determines that, for reasons beyond the control of the Corporation, an extension is necessary. If an extension is necessary, the Corporation will notify the Member within the initial thirty (30) day time period that an extension is necessary, the circumstances requiring the extension and the date the Corporation expects to render a determination. If the extension is necessary to request additional information, the extension notice will describe the required information. The Member will have at least forty-five (45) days to provide the required information. If the Corporation does not receive the required information within the forty-five (45) day time period, the claim will be denied. The Corporation will make its determination within fifteen (15) days of receipt of the requested information or, if earlier, the deadline to submit the information. If the Corporation receives the requested information after the forty-five (45) days but within two hundred twenty-five (225) days, the claim will be reviewed as a first level appeal. Reference Article XI(B) for details regarding the appeals process.

d. Concurrent Care Claim.

The Member will be notified if there is to be any reduction or termination in coverage for ongoing care sufficiently in advance of such reduction or termination to allow the Member time to appeal the decision before the Benefits are reduced or terminated.

7. Notice of Determination.

- a. If the Member's claim is filed properly and the claim is in part or wholly denied, the Member will receive notice of an Adverse Benefit Determination, in a culturally and linguistically appropriate manner, that will:
 - i. Include information sufficient to identify the claim involved (including date of service, healthcare Provider, claim amount (if applicable)) and a statement describing the availability, upon request, of the diagnosis and treatment codes and their corresponding meanings;
 - ii. State the specific reason(s) for the Adverse Benefit Determination, including the denial code and its corresponding meaning, as well as a description of the standard (if any) that was used in denying the claim;
 - iii. State that the Member is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records and other information relevant to the Member's claim;
 - iv. Reference the specific Plan of Benefits provisions on which the determination is based;
 - v. Describe additional material or information, if any, needed to complete the claim and the reasons such material or information is necessary;

- vi. Describe the claims review procedures and this Plan of Benefits and the time limits applicable to such procedures, including a statement of the Member's right to bring a civil action under section 502(a) of ERISA following an Adverse Benefit Determination on review;
 - vii. If the reason for denial is based on a lack of Medical Necessity, Investigational or Experimental exclusion or similar limitation, explain the scientific or clinical judgment for the determination (or state that such information will be provided free of charge upon request);
 - viii. Disclose any internal rule, guideline or protocol relied on in making the Adverse Benefit Determination (or state that such information will be provided free of charge upon request);
 - ix. Provide a description of available internal appeals and external review processes, including information regarding how to initiate such appeals;
 - x. Disclose the availability of, and contact information for, any applicable office of health insurance consumer assistance or ombudsman established under section 2793 of the Public Health Service Act, to assist individuals with the internal claims and appeals and external review processes; and,
 - xi. Include a statement regarding the Member's right to bring an action under section 502(a) of ERISA.
- b. The Member will be provided, as soon as practicable upon request, the diagnosis and treatment codes and their corresponding meanings associated with the Adverse Benefit Determination.
 - c. No decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual will be made based upon the likelihood that the individual will support the denial of Benefits.
 - d. The Member will also receive a notice if the claim is approved.

B. APPEAL PROCEDURES FOR AN ADVERSE BENEFIT DETERMINATION

1. The Member has one hundred eighty (180) days from receipt of an Adverse Benefit Determination to file an appeal. An appeal must meet the following requirements:
 - a. An appeal must be in writing;
 - b. An appeal must be sent (via U.S. mail) to BlueCross BlueShield of South Carolina at the address on the Member's Identification Card;
 - c. The appeal request must state that a formal appeal is being requested and include all pertinent information regarding the claim in question; and,
 - d. An appeal must include the Member's name, address, identification number and any other information, documentation or materials that support the Member's appeal.
2. The Member may submit written comments, documents or other information in support of the appeal and will (upon request) have access to all documents relevant to the claim. A person other than the person who made the initial decision will conduct the appeal. No deference will be afforded to the initial determination.

3. The Member must raise all issues and grounds for appealing an Adverse Benefit Determination at every stage of the appeals process or such issues and grounds will be deemed permanently waived.
4. If the appealed claim involves an exercise of medical judgment, the Corporation will consult with an appropriately qualified healthcare practitioner with training and experience in the relevant field of medicine. If a healthcare professional was consulted for the initial determination, a different healthcare professional will be consulted on the appeal.
5. The Corporation will make a final decision on the appeal within the time periods specified below:

- a. Pre-Service Claim.

The Corporation will decide the appeal within a reasonable period of time, taking into account the medical circumstances, but no later than thirty (30) days after receipt of the appeal.

- b. Urgent Care Claim.

The Member may request an expedited appeal of an Urgent Care Claim. This expedited appeal request may be made orally, and the Corporation will communicate with the Member by telephone or facsimile. The Corporation will decide the appeal within a reasonable period of time, taking into account the medical circumstances, but no later than seventy-two (72) hours after receipt of the request for an expedited appeal.

- c. Post-Service Claim.

The Corporation will decide the appeal within a reasonable period of time but no later than sixty (60) days after receipt of the appeal.

- d. Concurrent Care Claim.

The Corporation will decide the appeal of Concurrent Care Claims within the time frames set forth in Article XI(B)(4)(a-c) depending on whether such claim is also a Pre-Service Claim, an Urgent Care Claim or a Post-Service Claim.

6. Notice of Appeals Determination.

- a. If a Member's appeal is denied in whole or in part, the Member will receive notice of an Adverse Benefit Determination, in a culturally and linguistically appropriate manner, that will:
 - i. Include information sufficient to identify the claim involved (including date of service, healthcare Provider, claim amount (if applicable)) and a statement describing the availability, upon request, of the diagnosis and treatment codes and their corresponding meanings;
 - ii. State specific reason(s) for the Adverse Benefit Determination, including the denial code and its corresponding meaning, as well as a description of the standard (if any) that was used in denying the claim and a discussion of the decision;
 - iii. Reference specific provision(s) of this Plan of Benefits on which the benefit determination is based;
 - iv. State that the Member is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records and other information relevant to the claim for Benefits;

- v. Describe any voluntary appeal procedures offered by the Corporation and the Member's right to obtain such information;
 - vi. Disclose any internal rule, guideline or protocol relied on in making the Adverse Benefit Determination (or state that such information will be provided free of charge upon request);
 - vii. If the reason for an Adverse Benefit Determination on appeal is based on a lack of Medical Necessity, Investigational or Experimental or other limitation or exclusion, explain the scientific or clinical judgment for the determination (or state that such information will be provided free of charge upon request);
 - viii. Provide a description of available internal appeals and external review processes, including information regarding how to initiate such appeals;
 - ix. Disclose the availability of, and contact information for, any applicable office of health insurance consumer assistance or ombudsman established under section 2793 of the Public Health Service Act, to assist individuals with the internal claims and appeals and external review processes; and,
 - x. Include a statement regarding the Member's right to bring an action under section 502(a) of ERISA.
- b. The Member will also receive, free of charge, any new or additional evidence considered, relied upon or generated in connection with the claim. This evidence will be provided as soon as possible and sufficiently in advance of the date on which the notice of Adverse Benefit Determination is received to give the Member a reasonable opportunity to respond prior to that date.
 - c. If the Adverse Benefit Determination is based on a new or additional rationale, then the Member will be provided with the rationale, free of charge. The rationale will be provided as soon as possible and sufficiently in advance of the date of the Adverse Benefit Determination to give the Member a reasonable opportunity to respond prior to that date.
 - d. The Member will be provided, as soon as practicable upon request, the diagnosis and treatment codes and their corresponding meanings associated with the Adverse Benefit Determination.
 - e. No decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual will be made based upon the likelihood that the individual will support the denial of Benefits.
 - f. A Member's claim and appeals will be decided pursuant to a good faith interpretation of the Plan of Benefits, in the best interest of the Member, without taking into account either the amount of the Benefits that will be paid to the Member or the financial impact on the Group Health Plan.
 - g. The Member will also receive a notice if the claim on appeal is approved.

C. EXTERNAL REVIEW PROCEDURES

1. After a Member has completed the appeal process, a Member may be entitled to an additional, external review of the Member's claim at the Corporation's expense. An external review may be used to reconsider the Member's claim if the Corporation has denied, either in whole or in part, the Member's claim. In order to qualify for external review, the termination or denial or reduction of the claim must be related to:
 - a. Medical Necessity, appropriateness, healthcare setting, level of care or effectiveness of a Benefit;
 - b. An Investigational or Experimental service that involves a life-threatening or seriously disabling condition; or,
 - c. Administration of the Plan of Benefits' provisions related to cost-sharing and surprise billing protections for emergency or air ambulance services by Non-Participating Providers and care provided by Non-Participating Providers at certain Participating Provider facilities

2. After a Member has completed the appeal process (and an Adverse Benefit Determination has been made), such Member will be notified in writing of such Member's right to request an external review. The Member should file a written request for external review within four (4) months of receiving the notice of the Corporation's decision on the Member's appeal. In order to receive an external review, the Member will be required to authorize the release of such Member's medical records (if needed in the review for the purpose of reaching a decision on Member's claim). If a Member needs assistance during the external review process, the Member may contact the South Carolina Department of Insurance (DOI) at the following address and telephone number:

South Carolina Department of Insurance
P.O. Box 100105
Columbia, S.C. 29202-3105
800-768-3467

3. Within five (5) business days of a Member's request for an external review, the Corporation will respond by either:
 - a. Notifying the DOI of a request for external review and requesting the DOI assign the review to an independent review organization and then forward the Members records to the DOI; or,
 - b. Notifying the Member in writing that the Member's request does not meet the requirements for an external review and the reasons for the Corporation's decision.

4. The external review organization will take action on the Member's request for an external review within forty-five (45) days after it receives the request for external review from the Corporation.

5. Expedited external reviews are available if the Member's Provider certifies that the Member has a Serious Medical Condition. A serious medical condition, as used in this Article XI(C)(5), means one that requires immediate medical attention to avoid serious impairment to body functions, serious harm to an organ or body part, or that would place the Member's health in serious jeopardy. If the Member may be held financially responsible for the treatment, a Member may request an expedited review of the Corporation's decision if the Corporation's denial of Benefits involves Emergency Services and the Member has not been discharged from the treating Hospital. The independent review organization will be assigned as expeditiously as reasonably possible and must make its decision within seventy-two (72) hours after it receives the request for expedited review.

ARTICLE XII - GENERAL PROVISIONS

AMENDMENT

Upon thirty (30) days prior written notice, the Corporation may unilaterally amend this Plan of Benefits when required by federal or state law. Increases in the Benefits provided or decreases in the Premium are effective without such prior notice. Notice of an amendment will be effective when addressed to the Employer. The Corporation has no responsibility to provide individual notices to each Member when an amendment to this Plan of Benefits has been made.

AUTHORIZED REPRESENTATIVES

A Provider may be considered a Member's Authorized Representative without a specific designation by the Member when the Preauthorization request is for Urgent Care Claims. A Provider may be a Member's Authorized Representative with regard to non-Urgent Care Claims only when the Member gives the Corporation or the Provider a specific designation, in a format that is reasonably acceptable to the Corporation to act as an Authorized Representative. If the Member has designated an Authorized Representative, all information and notifications will be directed to that representative unless the Member gives contrary directions.

BLUECARD PROGRAM

I. Out-of-Area Services

Overview

The Corporation has a variety of relationships with other Blue Cross and/or Blue Shield Licensees, referred to generally as "Inter-Plan Arrangements." These Inter-Plan Arrangements operate under rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever Members access healthcare services outside the geographic area the Corporation serves, the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described generally below.

Typically, when accessing care outside the geographic area the Corporation serves, Members obtain care from healthcare Providers that have a contractual agreement ("Participating Providers") with the local Blue Cross and/or Blue Shield Licensee in that other geographic area ("Host Blue"). In some instances, Members may obtain care from healthcare Providers in the Host Blue geographic area that do not have a contractual agreement ("Non-Participating Providers") with the Host Blue. The Corporation will remain responsible for fulfilling our contractual obligations to you. The Corporation's payment practices in both instances are described below.

Inter-Plan Arrangements Eligibility – Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all Dental Care Benefits except when paid as medical claims/Benefits, and those Prescription Drug Benefits or Vision Care Benefits that may be administered by a third party.

A. BlueCard® Program

The BlueCard® Program is an Inter-Plan Arrangement. Under this Arrangement, when Members access covered healthcare services within the geographic area served by a Host Blue, the Host Blue will be

responsible for contracting and handling all interactions with its Participating Providers. The financial terms of the BlueCard Program are described generally below.

Liability Calculation Method Per Claim

Unless subject to a fixed dollar Copayment, the calculation of the Member liability on claims for covered healthcare services will be based on the lower of the Participating Provider's billed covered charges or the negotiated price made available to the Corporation by the Host Blue.

Host Blues determine a negotiated price, which is reflected in the terms of each Host Blue's healthcare Provider contracts. The negotiated price made available to the Corporation by the Host Blue may be represented by one of the following:

- (i) An actual price. An actual price is a negotiated rate of payment in effect at the time a claim is processed without any other increases or decreases; or
- (ii) An estimated price. An estimated price is a negotiated rate of payment in effect at the time a claim is processed, reduced or increased by a percentage to take into account certain payments negotiated with the Provider and other claim- and non-claim-related transactions. Such transactions may include, but are not limited to, anti-fraud and abuse recoveries, Provider refunds not applied on a claim-specific basis, retrospective settlements and performance-related bonuses or incentives; or
- (iii) An average price. An average price is a percentage of billed covered charges in effect at the time a claim is processed representing the aggregate payments negotiated by the Host Blue with all of its healthcare Providers or a similar classification of its Providers and other claim- and non-claim-related transactions. Such transactions may include the same ones as noted above for an estimated price.

Host Blues determine whether or not they will use an actual, estimated or average price. Host Blues using either an estimated price or an average price may prospectively increase or reduce such prices to correct for over- or underestimation of past prices (i.e., prospective adjustment may mean that a current price reflects additional amounts or credits for claims already paid or anticipated to be paid to Providers or refunds received or anticipated to be received from Providers). However, the BlueCard Program requires that the amount paid by the Member is a final price; no future price adjustment will result in increases or decreases to the pricing of past claims. The method of claims payment by Host Blues is taken into account by the Corporation in determining your Premiums.

B. Special Cases: Value-Based Programs

BlueCard Program

The Corporation has included a factor for bulk distributions from Host Blues in the Employer's Premium for Value-Based Programs when applicable under this contract.

If the Member receives covered healthcare services under a Value-Based Program inside a Host Blue's service area, the Member will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to the Corporation through average pricing or fee schedule adjustments.

C. Return of Overpayments

Recoveries of overpayments/from a Host Blue or its Participating and Non-Participating Providers can arise in several ways, including, but not limited to, anti-fraud and abuse recoveries, audits/healthcare Provider/hospital bill audits, credit balance audits, utilization review refunds and unsolicited refunds. Recoveries will be applied/ so that corrections will be made, in general, on either a claim-by-claim or prospective basis. If recovery amounts are passed on a claim-by-claim basis from a Host Blue to the Corporation, they will be credited to the Employer account. In some cases, the Host Blue will engage a third party to assist in identification or collection of recovery amounts. The fees of such a third party may be charged to the Employer as a percentage of the recovery.

D. Inter-Plan Programs: Taxes/Surcharges/Fees

In some instances laws or regulations may impose a surcharge, tax or other fee that applies to insured accounts. If applicable, the Corporation will include any such surcharge, tax or other fee in determining the Employer's Premium.

E. Non-Participating Providers Outside the Corporation's Service Area

1. Member Liability Calculation

When covered healthcare services are provided outside of the Corporation's service area by Non-Participating Providers, the amount(s) a Member pays for such services will generally be based on either the Host Blue's Non-Participating Provider local payment or the pricing arrangements required by applicable law. In these situations, the Member may be responsible for the difference between the amount that the Non-Participating Provider bills and the payment the Corporation will make for the covered services as set forth in this paragraph. Payments for out-of-network emergency services are governed by applicable law.

2. Exceptions

In some exception cases, the Corporation may pay claims from Non-Participating Providers outside of the Corporation's service area based on the Provider's billed charge. This may occur in situations where a Member did not have reasonable access to a Participating Provider, as determined by the Corporation in the Corporation's sole and absolute discretion or by applicable law. In other exception cases, the Corporation may pay such claims based on the payment the Corporation would make if the Corporation were paying a Non-Participating Provider inside of the Corporation's service area. This may occur where the Host Blue's corresponding payment would be more than the Corporation's in-service area Non-Participating Provider payment. The Corporation may choose to negotiate a payment with such a Provider on an exception basis.

Unless otherwise stated, in any of these exception situations, the Member may be responsible for the difference between the amount that the Non-Participating Provider bills and payment the Corporation will make for the covered services as set forth in this paragraph.

F. Blue Cross Blue Shield Global® Core Program

- **General Information**

If Members are outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands (hereinafter: "BlueCard service area"), they may be able to take advantage of the Blue Cross Blue Shield Global Core Program when accessing covered healthcare services. The Blue Cross Blue Shield Global

Core Program is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although the Blue Cross Blue Shield Global Core Program assists Members with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when Members receive care from Providers outside the BlueCard service area, the Members will typically have to pay the Providers and submit the claims themselves to obtain reimbursement for these services.

- **Inpatient Services**

In most cases, if Members contact the Blue Cross Blue Shield Global Core Service Center for assistance, hospitals will not require Members to pay for covered inpatient services, except for their cost-share amounts/Benefit Year Deductibles, Coinsurance, etc. In such cases, the hospital will submit Member claims to the Blue Cross Blue Shield Global Core Service Center to initiate claims processing. However, if the Member paid in full at the time of service, the Member must submit a claim to obtain reimbursement for covered healthcare services.

- **Outpatient Services**

Physicians, urgent care centers and other outpatient Providers located outside the BlueCard service area will typically require Members to pay in full at the time of service. Members must submit a claim to obtain reimbursement for covered healthcare services.

- **Submitting a Blue Cross Blue Shield Global Core Claim**

When Members pay for covered healthcare services outside the BlueCard service area, they must submit a claim to obtain reimbursement. For institutional and professional claims, Members should complete a Blue Cross Blue Shield Global Core International claim form and send the claim form with the Provider's itemized bill(s) to the Blue Cross Blue Shield Global Core Service Center address on the form to initiate claims processing. The claim form is available from the Corporation, the Blue Cross Blue Shield Global Core Service Center or online at www.bluecardworldwide.com. If Members need assistance with their claim submissions, they should call the Blue Cross Blue Shield Global Core Service Center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

CLERICAL ERRORS

Clerical errors by the Corporation will not cause a denial of Benefits that should otherwise have been granted, nor will clerical errors extend Benefits that should otherwise have ended.

CONTINUATION OF CARE

If a Participating Provider's contract ends or is not renewed for any reason other than fraud or a failure to meet applicable quality standards or this Contract is terminated and the Member is a Continuing Care Patient, the Member may be eligible to continue to receive in-network Benefits from that Provider with respect to the course of treatment relating to the Member's status as a Continuing Care Patient.

In order to receive this Continuation of Care, the Member must submit a request to the Corporation on the appropriate form. Upon receipt of the request, the Corporation will notify the Member and the Provider of the last date the Provider is part of the network and a summary of Continuation of Care requirements. The Corporation will review the request to determine qualification for the Continuation of Care. If additional information is necessary to make a determination, the Corporation may contact the Member or the Provider for such information. If the Corporation approves the request, in-network Benefits for that Provider will be provided, with respect to the course of treatment relating to the Member's status as a Continuing Care Patient, for ninety (90) days or until the date the Member is no longer a Continuing Care Patient for the Provider. During this time, the Provider will accept the network allowance as payment in full. Continuation of Care is subject to all other terms and conditions of this Contract, including regular Benefit limits.

DISCLOSURE TO EMPLOYER

The Group Health Plan will disclose (or will require the Corporation to disclose) Member's PHI to the Employer only to permit the Employer to carry out Plan administration functions for the Employer's Group Health Plan not inconsistent with the requirements of HIPAA. Any disclosure to and use by the Employer will be subject to and consistent with the provisions of paragraphs A and B of this section.

A. Restrictions on Employer's Use and Disclosure of PHI.

1. The Employer will neither use nor further disclose Member's PHI, except as permitted or required by the Group Health Plan documents, as amended, or required by law.
2. The Employer will ensure that any agent, including any subcontractor, to whom it provides Member PHI agrees to the restrictions and conditions of this Plan of Benefits with respect to Member's PHI.
3. The Employer will not use or disclose Member PHI for employment-related actions or decisions or in connection with any other benefit or employee benefit plan of the Employer.
4. The Employer will report to the Group Health Plan any use or disclosure of Member PHI that is inconsistent with the uses and disclosures allowed under this section promptly upon learning of such inconsistent use or disclosure.
5. The Employer will make PHI available to the Member who is the subject of the information in accordance with HIPAA.
6. The Employer will make Member PHI available for amendment and will, on notice, amend Member PHI in accordance with HIPAA.
7. The Employer will track disclosures it may make of Member PHI so that it can make available the information required for the Group Health Plan to provide an accounting of disclosures in accordance with HIPAA.
8. The Employer will make its internal practices, books and records relating to its use and disclosure of Member PHI available to the Plan and to the U.S. Department of Health and Human Services to determine compliance with HIPAA.
9. The Employer will, if feasible, return or destroy all Member PHI, in whatever form or medium

(including in any electronic medium under the Employer's custody or control), received from the Group Health Plan, including all copies of and any data or compilations derived from and allowing identification of any Member who is the subject of the PHI, when the Member's PHI is no longer needed for the Plan administration functions for which the disclosure was made. If it is not feasible to return or destroy all Member PHI, the Employer will limit the use or disclosure of any Member PHI it cannot feasibly return or destroy to those purposes that make the return or destruction of the information infeasible.

10. The Employer will implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of the ePHI that the Employer creates, receives, maintains or transmits on behalf of the Group Health Plan.
11. The Employer will ensure that any agent, including a subcontractor, to whom the Employer provides ePHI (that the Employer creates, receives, maintains or transmits on behalf of the Group Health Plan) agrees to implement reasonable and appropriate security measures to protect this information.
12. The Employer shall report any security incident of which it becomes aware to the Group Health Plan as provided below.
 - a. In determining how and how often the Employer shall report security incidents to the Group Health Plan, both the Employer and the Group Health Plan agree that unsuccessful attempts at unauthorized access or system interference occur frequently and that there is no significant benefit for data security from requiring the documentation and reporting of such unsuccessful intrusion attempts. In addition, both parties agree that the cost of documenting and reporting such unsuccessful attempts as they occur outweigh any potential benefit gained from reporting them. Consequently, both the Employer and the Group Health Plan agree that this Contract shall constitute the documentation, notice and written report of any such unsuccessful attempts at unauthorized access or system interference as required above and by 45 C.F.R. Part 164, Subpart C and that no further notice or report of such attempts will be required. By way of example (and not limitation in any way), the parties consider the following to be illustrative (but not exhaustive) of unsuccessful security incidents when they do not result in unauthorized access, use, disclosure, modification or destruction of ePHI or interference with an information system:
 - i. Pings on a party's firewall;
 - ii. Port scans;
 - iii. Attempts to log on to a system or enter a database with an invalid password or username;
 - iv. Denial-of-service attacks that do not result in a server being taken offline; and,
 - v. Malware (e.g., worms, viruses).
 - b. The Employer shall, however, separately report to the Group Health Plan any successful unauthorized access, use, disclosure, modification or destruction of the Group Health Plan's ePHI of which the Employer becomes aware if such security incident (a) results in a breach of confidentiality; (b) results in a breach of integrity but only if such breach results in a significant, unauthorized alteration or destruction of the Group Health Plan's ePHI; or (c) results in a breach of availability of the Group Health Plan's ePHI, but only if said breach results in a significant interruption to normal business operations. Such reports will be provided in writing within ten (10) business days after the Employer becomes aware of the impact of such security incident upon the Group Health Plan's ePHI.

B. Adequate Separation Between the Employer and the Group Health Plan.

1. Only Employees or other workforce members under the control of the Employer (“Employees”) who, in the normal course of their duties, assist in the administration of the Employer’s Employee Benefits or the Group Health Plan or the Group Health Plan finances or other classes of Employees as designated in writing by the Employer, may be given access to Member PHI received from the Group Health Plan or a third party servicing the Group Health Plan.
2. These Employees will have access to Member PHI only to perform the Plan administration functions that the Employer provides for the Group Health Plan or to assist Members.

These Employees will be subject to disciplinary action and sanctions, including termination of employment or affiliation with the Employer, for any use or disclosure of Member PHI in breach or violation of or noncompliance with the provisions of this section. The Employer will promptly report such breach, violation or noncompliance to the Group Health Plan and will cooperate with the Group Health Plan to correct the breach, violation or noncompliance to impose appropriate disciplinary action or sanctions on each Employee or other workforce member causing the breach, violation or noncompliance and to mitigate any deleterious effect of the breach, violation or noncompliance on any Member, the privacy of whose PHI may have been compromised by the breach, violation or noncompliance.

3. The Employer will ensure that the separation required by the above provisions will be supported by reasonable and appropriate security measures.

The Employer certifies that the Group Health Plan contains the provisions outlined above.

GOVERNING LAW

This Plan of Benefits (including the Schedule of Benefits) is governed by and subject to applicable federal law. If and to the extent that federal law does not apply, this Plan of Benefits is governed by and subject to the laws of the State of South Carolina. If federal law conflicts with any state law, then such federal law shall govern. If any provision of this Plan of Benefits conflicts with such law, this Plan of Benefits shall automatically be amended solely as required to comply with such state or federal law, and the Corporation shall be entitled to adjust the Premium upon thirty-one (31) days written notice.

IDENTIFICATION CARD

A Member must present the Member’s Identification Card prior to receiving Benefits.

Identification Cards are for identification only. Having an Identification Card creates no right to Benefits or other services. To be entitled to Benefits, the cardholder must be a Member whose Premium has been paid. Any person receiving Covered Expenses to which the person is not entitled will be responsible for the charges.

INCONTESTABILITY

The validity of this Plan of Benefits may not be contested after it has been in force for two (2) years from its date of issue. No statement relating to insurability, except fraudulent misstatements, made by any Member may be used in contesting the validity of the coverage with respect to which the statement was made after the coverage has been in force for a period of two (2) years unless it is contained in a written instrument signed by the person making the statement. The provision does not preclude assertion at any time of defenses based upon the person’s ineligibility for coverage under the Plan of Benefits or upon other provision in the Plan of Benefits.

INFORMATION AND RECORDS

The Corporation is entitled to obtain records and other information as it may reasonably require from any Member or Provider incident to the treatment, payment and healthcare operations for the administration of the Benefits hereunder. This includes medical and Hospital records, the Provider's certification as to the Medical Necessity for care or treatment and/or any other requested documentation or information. Payment for Benefits may be denied until the requested records, documentation or information is received.

LEGAL ACTIONS

No Member may bring an action at law or in equity to recover on this Plan of Benefits until such Member has exhausted the appeal process as set forth in Article XI of this Plan of Benefits. No such action may be brought any later than six (6) years after the time written proof of loss is required to be furnished.

MEMBERSHIP APPLICATION

The Corporation will only accept a Membership Application submitted by the Employer on behalf of its Employees. The Corporation will not accept Membership Applications directly from Employees or Dependents.

NEGLIGENCE OR MALPRACTICE

The Corporation does not practice medicine. Any medical treatment, service or Medical Supplies rendered to or supplied to any Member by a Provider is rendered or supplied by such Provider and not by the Corporation. The Corporation is not liable for any improper or negligent act, inaction or act of malfeasance of any Provider in rendering such medical treatment, service, Medical Supply or medication.

NO WAIVER OF THE CORPORATION'S RIGHTS

On occasion, the Corporation may, at its option, choose not to enforce all of the terms and conditions of this Plan of Benefits. Such a decision does not mean the Corporation waives or gives up any rights under this Plan of Benefits in the future.

OTHER INSURANCE

Each Member must provide the Corporation with information regarding all other health insurance coverage to which such Member is entitled.

PAYMENT OF CLAIMS

A Member is expressly prohibited from assigning any right to payment of or related to Benefits. The Corporation may pay all Benefits directly to the Member upon receipt of due proof of loss when a Non-Participating Provider renders services. When payment is made directly to the Member, the Member is responsible for any payment to the Provider. Where a Member has received Benefits from a Participating Provider, the Corporation will pay Benefits directly to such Participating Provider.

PHYSICAL EXAMINATION

The Corporation has the right to have examined, at its own expense, a Member whose injury or sickness is the basis of a claim (whether a Pre-Service Claim, Post-Service Claim, Concurrent Care Claim or Urgent Care Claim). Such physical examination may be made as often as the Corporation may reasonably require while such claim for Benefits or request for Preauthorization is pending.

Summary of the South Carolina Life and Accident and Health Insurance Guaranty Association Act and Notice Concerning Coverage Limitations and Exclusions

Residents of South Carolina who hold life insurance, annuities, or health insurance policies should know that the insurance companies and health maintenance organizations (HMOs) licensed in this state to write these types of insurance are required by law to be members of the South Carolina Life and Accident and Health Insurance Guaranty Association (SCLAHIGA). The purpose of SCLAHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, SCLAHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through SCLAHIGA is limited. Consumers should shop around for insurance coverage and exercise care and diligence when selecting insurance coverage.

Disclaimer

Under South Carolina law, the South Carolina Life and Accident and Health Insurance Guaranty Association (SCLAHIGA) may provide coverage of certain direct life insurance policies, accident and health insurance policies, annuity contracts and contracts supplemental to life, accident and health insurance policies and annuity contract claims (covered claims) if the insurer becomes impaired or insolvent. South Carolina law does not require the SCLAHIGA to provide coverage for every policy. **COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.**

Coverage is generally conditioned upon residence in this state. Other conditions that may preclude or exclude coverage are described in this notice. Even if coverage is provided, there are significant limits and exclusions. Please read the entire notice for further details on limitations and exclusions.

Insurance companies and insurance agents are prohibited by law from using the existence of the SCLAHIGA or its coverage to sell you an insurance policy. You should not rely on the availability of coverage under SCLAHIGA when selecting an insurer. The South Carolina Life and Accident and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

If you think the law has been violated, you may file a written complaint with the SCLAHIGA or the South Carolina Department of Insurance at the addresses listed below:

This safety-net coverage is provided for in the South Carolina Life and Accident and Health Insurance Guaranty Association Act (the Act). The following summary of the Act's coverages, exclusions and limits does not cover all provisions of the Act; nor does it in any way change any person's rights or obligations under the Act or the rights or obligations of the SCLAHIGA.

COVERAGE

Generally, individuals will be protected by the SCLAHIGA if they live in this state and hold a covered life, accident, health or annuity policy, plan or contract issued by an insurer (including a health maintenance organization) authorized to conduct business in South Carolina. The beneficiaries, payees or assignees of insured persons may also be protected if they live in another state unless circumstances described under the Act exclude coverage.

EXCLUSIONS FROM COVERAGE

Persons who hold a covered life, accident, health or annuity policy, plan or contract are not protected by SCLAHIGA if:

- They are eligible for protection under the laws of another state (This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.);
- The insurer was not authorized to do business in this state; or
- They acquired rights to receive payments through a structured settlement factoring agreement.

SCLAHIGA also does not provide coverage for:

- A portion of a policy or contract or part thereof not guaranteed by the member insurer, or under which the risk is borne by the policy or contract owner;
- A policy or contract of reinsurance, unless assumption certificates have been issued;
- Interest rate or crediting rate yields or similar factors employed in calculating value changes that exceed an average rate;
- Any policy or contract issued by assessment mutuals, fraternal, and nonprofit hospital and medical service plans;
- Benefits payable by an employer, association or other person under: (a) a multiple employer welfare arrangement; (b) a minimum premium group insurance plan; (c) a stop-loss group insurance plan; or (d) an administrative services contract;
- A portion of a policy or contract to the extent that it provides for (a) dividends or experience rating credits; (b) voting rights; or (c) payment of any fees or allowances to any person, including the policy or contract owner, in connection with the service to or administration of the policy or contract;
- A portion of a policy or contract to the extent that the assessments required by Section 38-29-80 with respect to the policy or contract are preempted by federal or state law;
- An obligation that does not arise under the express written terms of the policy or contract issued by the member insurer to the enrollee, certificate holder, contract owner or policy owner, including without limitation: (a) Claims based on marketing materials; (b) Claims based on side letters, riders or other documents that were issued by the member insurer without meeting applicable policy or contract form filing or approval requirements; (c) Misrepresentations of or regarding policy or contract benefits; (d) Extra-contractual claims; or (e) A claim for penalties or consequential or incidental damages;
- An unallocated annuity contract;
- A policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to Medicare Part C or D or Medicaid; or
- Interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes impaired or insolvent insurer, whichever is earlier.

LIMITS ON AMOUNTS OF COVERAGE

The South Carolina Life and Accident and Health Insurance Guaranty Association Act also limits the amount that SCLAHIGA is obligated to pay for covered claims. The benefits for which SCLAHIGA may become liable shall in no event exceed the lesser of the following:

- With respect to one life, regardless of the number of policies or contracts: \$300,000 in life insurance death benefits, or not more than \$300,000 in net cash surrender and net cash withdrawal values for life insurance;
- For health insurance benefits: (a) \$300,000 for coverages not defined as disability income insurance or health benefit plans or long-term care insurance, including any net cash surrender and net cash withdrawal values; (b) \$300,000 for disability income insurance; (c) \$300,000 for long-term care insurance; (d) \$500,000 for health benefit plans; or
- \$300,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values.
